## What is the Twin Tiers Martial Arts Championship?

The TTMAC is the premier martial arts competition in the Twin Tiers of New York and the Northern Tier of Pennsylvania. Each year we provide an opportunity for students of all ages and all levels to come together and present their martial arts skills in healthy and fair competition. This includes a special handi-capable level available. Whatever it is they study, we offer a platform for demonstrating their accomplishments.

The event will be taking place at the Elmira College, Murray Athletic Center (The Domes). A premier location for sports and special events.

## Who comes to the Twin Tiers Martial Arts Championship?

The TTMAC attracts local, regional, and national competitors and spectators of all ages to show their martial arts skills in healthy and fair competition.

## How will we Promote the Sponsorship?

In addition to the popularity and traffic generated by our website, we use social media as a complementary tool for promoting our tournament. We post weekly updates about our tournament using written texts, photos, and videos on Facebook.

We are also judges at the 2017 Super Grands World Games XXVIII held in Buffalo held on Dec 26-31, 2017 and will be promoting the TTMAC tournament there.

## How can you be involved?

Sponsors, vendors, and volunteers from local businesses and organizations play an integral part in the success of this regional tournament. Please see the attached sponsorship form and select your sponsor level.

**THANK YOU** in advance for your support!
