What is the Twin Tiers Martial Arts Championship?

The TTMAC is the premier martial arts competition in the Twin Tiers of New York and the Northern Tier of Pennsylvania. Each year we provide an opportunity for students of all ages and all levels to come together and present their martial arts skills in healthy and fair competition.

Martial Arts is a fun way for both boys and girls, young and old, to achieve self-confidence, fitness, and focus. Whatever style they train in, we offer a platform for demonstrating their skills and accomplishments.

This year’s event venue has been upgraded to the “The L” Event Center in Horseheads, NY. A premier location for sports and special events.

Who comes to the Twin Tiers Martial Arts Championship?

The TTMAC attracts local, regional, national, and international competitors and spectators of all ages to show their wrestling and martial arts skills in healthy and fair competition.

How will we Promote the Event and Vendors?

In addition to the popularity and traffic generated by our marketing efforts and our website, we use social media as a complementary tool for promoting our tournament. We post weekly updates about our tournament using written texts, photos, and videos on Facebook.

Not only are we promoters, but our Karate School participates and officiates in other local, regional, national and international events. Between other tournaments and contact information of participants and schools from the last five years, we anticipate our largest event to date.

How can you be involved?

Sponsors, vendors, and volunteers from local businesses and organizations play an integral part in the success of this regional tournament. Please see the attached Vendor Form to reserve your spot.

THANK YOU in advance for your support!
